**Procedure Title: Laboratory Access**  
**Issuing Date:**

### **I. Overview/Procedure Description:**

Due to the nature of the procedures that are carried out in the Core Laboratory at the PRCTRC, the access is limited to the authorized personnel.

### **II. Area(s) of Responsibility:**

PRCTRC Personnel, investigators and collaborators.

### **III. Procedure Details:**

Only the authorized personnel will have access to the laboratory. The operational hours of the laboratory are from 7:30 AM to 4:00 PM. Extension of hours for some special need will be coordinated with anticipation. The authorized personnel will be identified and supervised by the medical technologist, and oriented as for the safety regulations and the management of reagents, samples and/or personal protection equipment to use. The medical technologist will verify that everything is in order and close the laboratory at the end of the day.
